

Product Information

DEAC-dUTP, lyophilized powder

Catalog Number 40059

Unit Size 25 nmole

Molecular Weight 762

Color and Form Light yellow solid

Absorption/Emission 426/480 nm

Storage and Handling

Store DEAC-dUTP at -20°C or -70°C, protected from light. When stored as recommended, product is stable for at least 6 months from date of receipt.

Product Description

Fluorescent conjugates of dUTP can be used for detection of apoptotic cells by direct fluorescence TUNEL labeling of DNA strand breaks in cells¹, and can be used in place of dTTP in standard DNA labeling and synthesis protocols to generate fluorescent dsDNA and oligonucleotide probes.

Note: The product is not compatible with PCR applications.
